# HDMI 4K 2.0 4X PORT SWITCH

## INSTRUCTIONS

### Product Overview

Connect up to four HDMI sources to one HDMI display port with the Powerwave HDMI 4K 2.0 4 Port Switch. Easily switch between up to four gaming consoles, media players or other HDMI devices. Easy to setup, just plug in your devices & connect the power cable and you're ready to go. Switch to each device with a simple press of a button, no need to unplug devices when they're not in use. The Powerwave HDMI 4K 2.0 4 Port Switch displays content in high definition supporting 4K at 60hz, HDCP, HDR, Dolby Vision and transparent transmission of Dolby Digital, DTS, 5.1 Surround Sound Audio.

## INSTRUCTIONS

### Instructions For Use

- Place the HDMI Switch on a dry, flat surface.
- Insert the 5V circular end of the power cable supplied into the Power Input of the HDMI Switch and the USB-A end into an available USB port or 5V/1A AC adapter.
- Insert one end of a HDMI cable (not included) in a HDMI port of the desired output display device and the other end into the Output port on the HDMI Switch.
- Use the HDMI Input Ports (1-4) to connect your devices to the HDMI Switch.
- Turn the Power Switch on and use the Input Indicator Light to identify the HDMI port that is currently active.
- To display the HDMI input of your choice use the Select Button.

### Product Care and Safety

- Keep your user manual for future reference.
- Use this device solely for its intended purposes.
- Please use the included 5V / 1A cable.
- For indoor use only.
- Keep away from hot surfaces and naked flames.
- Do not expose this product to any liquids.
- Do not install or place in a bookcase, built-in cabinet or in another confined space. Ensure the product is well ventilated.
- Unplug from power during lightning storms or when unused for long periods of time
- When not in use, store in a cool, dry environment away from direct sunlight.
- Do not apply force or put heavy objects onto the product.
- If the product is damaged, broken or immersed in water, stop use immediately.
- Do not attempt to repair, modify or disassemble the product.
- Protect the power cord from being pinched.
- Clean with a soft, dry cloth to prevent dirt build-up. Do not use chemical solvents, detergents or alcohol.
- Keep out of reach of small children.
