

# PS5 FPS TRIGGER STOP AND GRIP PACK

## INSTRUCTIONS

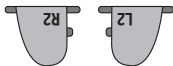

Get a competitive edge in your gaming with the Powerwave PS5 FPS Trigger Stop and Grip Pack. The enhanced grips add a comfortable texture, while the adjustable mechanism allows you to customise your trigger stop points for faster shooting in-game. Adjustable levels of trigger resistance shorten your trigger reaction times, great for FPS and Action games.

This pack also includes three sets of trigger caps allowing you to change up your R2 and L2 buttons to different lengths to suit your gameplay.

## INSTRUCTIONS

### How to adjust the trigger stops

The Grips are installed with adjustable trigger stop mechanisms. These can be set to three different levels of resistance which shorten your trigger reaction times.

1. Install your choice of Low, Medium or High Trigger Caps.
2. Adjust the trigger stop by moving the small slider left or right to your desired resistance position.
