# CAR MOUNT

## INSTRUCTIONS

### Product Overview

Turn long car trips into relaxing gaming sessions.

The Powerwave Car Mount is designed to secure your Nintendo Switch™, Switch 2, Switch OLED or Switch Lite Console to your car headrest for gaming while on the move. Easy to install, the X-shaped clamp ensures a secure grip without obstructing the screen.

Ensure a comfortable viewing angle with the adjustable ball and socket mechanism.

### Layout

# CAR MOUNT

## INSTRUCTIONS

### Operating Instructions

1. Twist the clamp nut to the left until it can be removed from the back of the console clamp
2. Slide the nut over the ball joint
3. Press the ball into the joint clamp until it clicks into place
4. Twist the clamp nut to the right until it tightens and the ball and joint clamps are connected
5. Adjust the height of your car headrest to allow room for the mount to fit
6. Squeeze together the headrest clamp and instal in-between your car headrest poles  
Ensure the headrest clamps fit snugly
7. Insert the Switch Console into the Car Mount by squeezing the bottom clamp arms together  
Place the console in the centre of the mount and let go of the clamps. The clamps will secure around the console to hold it in place
8. Adjust the viewing angle by loosening the ball and joint clamp, tighten again before use

### Contents

- 1x Console Clamp
- 1x Headrest Clamp

### Product Care and Safety

- Keep your user manual for future reference.
- Use this device solely for its intended purposes.
- For use in car only.
- Keep away from hot surfaces and naked flames and liquids.
- When not in use, store in a cool, dry environment away from direct sunlight.
- Do not apply force or put heavy objects onto the product.
- If the product is damaged, broken or immersed in water, stop use immediately.
- Do not attempt to repair, modify or disassemble the product.
- Clean with a soft, dry cloth to prevent dirt build-up. Do not use chemical solvents, detergents or alcohol.
- Keep out of reach of small children.
