USER MANUAL

Product Overview

Elevate your gaming zone with the Powerwave 360 Degree RGB Desktop Lamps. Designed for gamers, these lamps transforms any space into a vivid, customisable light show. Tailor the colours, patterns, and brightness using the included remote or convenient app. Engage music rhythm mode to synchronise the lights with your game soundtrack or music, creating an immersive experience. Stylise your setup with the Powerwave RGB Desktop Lamps, the ultimate companion for passionate gamers.

Using Your Lamps

Your Powerwave 360 Degree RGB Desktop Lamps can be controlled in three ways; the control panel on the attached cable, the included remote, or using the free app.
